

# My New School

Woy Woy Public School

Ms Buckley and Mr Betts are the principals of Woy Woy Public School. They make sure all of the children and teachers are safe and happy at school.

These are some of the teachers at my school. Their names are; Mrs Young, Mrs Miller and Mr Wolski

My teachers will take care of me and keep me safe while I'm at school.

They will also play with me and help me to learn new things.

This is the gate into my new school. Here is where I say goodbye to my family and hello to my teachers and friends.

I have a school bag which I carry on my back. When I arrive at school, I search for a hook outside my classroom with my name to place my bag.

I take a lunch box filled with healthy food and a water bottle to school. We eat morning tea and lunch at school.

I have a hat to wear at school. I wear it when I play outside to protect me from the sun.

I can have lots of fun at school and I will learn lots of new things. I might see some old friends there and make some new friends

At Lunchtime there are lots of things I can play. When there is a teacher nearby, I might be able to play on the equipment.

This is the canteen where I can line up to buy food. If I have a lunch order they will bring them to my class.

We also have a pet rabbit called Moon Shadow, flowers, plants and a fruit and vegetable garden to help take care of.

This is my classroom. This is where I will learn lots of new things and play with my friends from my class.

One day each week we will go to the library. We can borrow books to take home and return the following week. It's important that I listen to my teachers so that I am safe moving around school.

Some days we also visit the oval or the Bush Tucker Garden. The Bush Tucker Garden is close to the road and has a water pond, so I stay close to my teachers and always listen carefully.

When it is nearly home time, I pack my bag and put it on my back. I line up and get ready to be picked up by my family.

As I leave, I smile and say goodbye to my teachers and friends. I say, “Thanks for playing, see you next time.” When everyone has left, my school closes.
